MiVoice Office Application Suite 5.0 Call Reporter Webcast Training

Bulletin 01.05.17

Get the most from your MiVoice Office Application Suite 5.0 Call Reporter with the new Xarios Technologies remote webcast training program.

In response to many requests from Mitel resellers, Xarios have introduced a webinar training program for the new Call Reporter module.

Whilst customers will be delighted with their Call Reporter application, to get a truly satisfied customer they need to understand how to access the reports and get the most from their purchase.

The webinar training module takes approx. 2 hours.

Course content:

Segmented vs non-segmented reports
Using Standard Reports
Create a new report
Filters – Standard and New
Cloning a report
Sharing Reports
Grouped Reports
Schedule Reports
Configuration Options that affect the reports

Part Number	RSP	Reseller Price
XART11	£330.00	£264.00
